Issues and Programming List

1st Quarter 2018

Submitted by KSFO 560

KSFO 560

San Francisco, CA

From January 1, 2018 to March 31, 2018 KSFO 560 broadcast 17 hours of Public Affairs (newstalk) and 7 hours of News Programming each weekday. KSFO also ran an average of $79,625 worth of free Public Service Announcements (approximately 455 PSAs) and sponsored numerous civic, community and charitable events.

KSFO 560's programs, news reports and Public Service Announcement provided significant coverage on the following issues which were important to the community during the 1st Quarter of 2018:

The Fight for GOP Tax Reform, and how it has benefitted listeners

DACA-Immigration battle…building/funding the Border Wall

International Trade/China Tariffs…best way to combat theft of intellectual property

Facebook Privacy issues…how social media broke our trust

Restorative Justice policies—are they the real reason behind School Shootings?

Future of Stock Market…are Trump policies good for the economy?

Athletes Taking Political stands…how kneeling for the national anthem has affected professional sports

Millennials destroying our culture…student debt and their inability to function as adults

Hillary Clinton won't give up her political career, and the GOP is grateful

Political Hypocrisy…Democrats decry the crumbs from GOP tax reform that are helping the very people they claim to protect

Will Self-Driving Vehicles ever be safe?

Leftist Agenda against Law Enforcement…more roadblocks preventing police from doing their job effectively
